

# **HOF Summer Time Sponsorships**

## **Family Camp**

This weekend retreat at the HEB Foundation property in Leakey enables House of Faith staff and families of HOF members to get to know one another. Families participate in activities that are not usually available to them such as fishing, hiking, canoeing and games. This time is highly beneficial for families to learn how to do things together through experience. Family groups are mostly a single parent or grandparent with children. A \$5 per person fee is suggested to secure reservations and insure that people who sign up, will come. However, we never let money become an issue that keeps families from attending.

Average attendance: 50 families    Cost per family of four: \$75

## **Sports Camps**

These five-day camps for football, basketball, volleyball and soccer provide an opportunity for 4<sup>th</sup> through 8<sup>th</sup> grade youth to develop specific skills, which give them a head start in Jr. High sports programs or helps them strengthen those skills already learned. Sports camps also stimulate interest in positive and healthy extra-curricular activities. Public school athletic coaches volunteer their time to coach and mentor the kids. In addition, each participant receives a student Bible, a sports camp T-shirt and a sport ball for his or her preferred sport in soccer, football, basketball or volleyball.

Average attendance: 250 students    Cost per student: \$50

## **Jr. and Sr. High Camps**

Students attend a weeklong traditional summer church camp with other local church youth in their respective age groups.

Available attendance: 125 students    Cost per student: \$175

## **Overnight Camps**

Staff and volunteers coordinate and lead camps for 4<sup>th</sup> through 6<sup>th</sup> graders. Children are bused to the camp in Menard and participate in daily teaching and devotions, games, swimming, sports and skills training and campfire fellowship.

Average attendance: 150 students    Cost per student: \$50

## **Day Camps**

4<sup>th</sup> through 8<sup>th</sup> grade students are bused in to House of Faith for three consecutive afternoons. They sign up for a variety of activities: pottery, drama, arts & crafts, dance, fishing, canoeing and have small group dynamics.

Average attendance: 250 students    Cost per student: \$25

## **Summer Internships**

College age students provide invaluable assistance while developing leadership and job skills for two months during the summer. They are directly involved in planning, preparing, teaching and counseling during the programs described above. Former interns have come from colleges or churches in Kansas, Illinois, Oklahoma and Texas to be part of this intern program.

Sponsorship for 8-10 interns/2 months each    Cost: \$500 per person per month
